

USE OF FACE CLOTH COVERING

1. Wash hands with clean water and soap or use an alcohol based sanitizer.

2. Check your face cloth cover to ensure it is in good conditions.

3. Secure the face cloth cover with ties or ear loops to ensure it fits well.

4. Ensure you have covered your nose, mouth and chin completely.

5. Ensure your face cloth cover is securely tight yet allows you to breath properly.

6. Remove your face cloth covering from back to front, avoid touching eyes, nose, or mouth.

7. Wash your hands with clean water and soap after removing your face cloth cover.

8. Wash and iron your face cloth cover before using it again.

DO NOT DO THE FOLLOWING

1. Do not touch the mask when in use.

2. Do not put your mask on top of your head.

3. Do not place your mask under your chin.

NOTE:

Cloth face coverings should NOT be placed on children under 2 years, anyone who has trouble breathing, or is unconscious, incapacitated or otherwise unable to remove a cover without assistance.
